A large light-brown rounded rectangle containing a grid of green directional buttons and blue number buttons. The top row has six green buttons: up, right with three dots, up, left with three dots, down, and down. Below the first and fifth green buttons are blue buttons with the number '2'. The second row has two green buttons: left with three dots and up, followed by four empty slots with grey dots. The third row has six empty slots with grey dots.
